

# $4 \times 4 = 16$ ACTIVITY

Flip the coin  
and make it spin!

Where did it land?

If heads:

Act out the story  
of the sick queen.  
Don't forget to say,  
"DoorXDoor=  
sick queen"

If tails:

Spin around  
16 times, pick  
up a pencil  
and write:  
 $4 \times 4 = 16$ .
