

# Student Expectations for the \_\_\_\_\_ School Year

1. It is your responsibility to set an alarm each night in order to wake up on time each morning.
2. You are expected to clean up after yourself throughout the day.
3. It is your responsibility to give your finished work to your parent for correction before signing off for the day.
4. All mistakes noted must be corrected as soon as possible.
5. Any unfinished work should be carried over to the next day and completed before the next lesson is started.
6. Use your time wisely. The natural consequence of wasted time is the loss of free time.
7. If you do not know how to spell a word, or if you do not know the meaning of a word (etc.), the following steps should be taken before asking your parent:
  - a. word: sound it out, then look it up in the dictionary
  - b. math problem: look it up in textbook, agreed upon math site, etc.
  - c. If you still do not know the answer, you can ask your parent
8. You will treat your siblings and parent with respect by giving them the time, space, and silence needed to complete their work.
9. You will do what you can to help your siblings should they need help with school life.
10. When you open something, close it. When you move something, put it back. Also very important: leave the kitchen and living areas clean!
11. Love one another.
12. Laugh with each other and have fun.
13. Work so, so hard!
14. Perfection is not the goal. Progress is the goal!
15. Life is learning, and it is constantly occurring. Look around you, notice your surroundings, and feed your curiosity!
16. Give thanks! Be thankful for the freedom and flexibility that learning from home allows you and tell your parent(s), "Thank you!".
17. I love you. Always, always know that.

I, \_\_\_\_\_, have read and understood the above expectations and will work hard to meet these expectations to the best of my abilities.
