

Name _____

Cowboy Sitting on a Fence: Color-by-Number

Solve the multiplication problems, and color the answers with the correct color.

If there is no number, choose your own color!

$8 \times 3 = \text{light brown}$

$3 \times 3 = \text{light green}$

$4 \times 2 = \text{dark brown}$

$3 \times 4 = \text{Red}$

$6 \times 8 = \text{dark blue}$

$2 \times 11 = \text{black}$

$7 \times 5 = \text{light blue}$

no number = your choice
